The £300 on your card can also be spent on paying for Buggy hire, guests green fees, range tokens, shop purchases, competitions entry fees, drinks in Eddies Bar, snacks at the Halfway House or meals in the Park Restaurant. Once the £300 has been spent, you can then top up your card with money again, the minimum top up is £50. This money will be added to your card and it can be spent in the same way as discussed above. If you get to the end of 2017 and you still have some money left on your card, it can be carried across to the next membership year. There are some restrictions to this:

If you renew your associate membership for 2018, you can spend the remaining funds on any area within the club, including green fees. However if you decide not to renew your associate membership, you would not be able to spend the money on green fees in 2018, it would just be purchases from the shop, bar, halfway house or restaurant.

If you would like to renew your associate member please return the form to the office along with your preferred method of payment (cash, cheque, debit or credit card).
